

CLINCARD

Find out more about the easiest way to pay research trial subjects.

WHAT IS A CLINCARD?

- The [Greenphire ClinCard](#), a reloadable prepaid debit/credit card, is a faster, safer method to **pay study participants** and provides an excellent alternative to checks, gift cards and petty cash.

WHY SHOULD I USE A CLINCARD?

ClinCard is the only approved method for reimbursement to clinical trial participants at BCM. Listed below are some benefits of using a ClinCard:

- Quick payment turnaround time for participants (they receive a text or email when card is funded)
- Decreased time spent on administrative processing of payments
- Convenient web application for loading, tracking and reporting your studies' payments in real-time
- Capability to handle pre-scheduled, manual, travel, or reimbursement subject payments
- Centralized 1099-Misc tax reporting
- Improved accounting tools

WHERE CAN I SIGN UP?

- You may sign up to obtain ClinCards by attending ClinCard training.
- Schedule your ClinCard training by emailing clincard@bcm.edu.
