

MIEHR CEDC CAB MEMBER BIOGRAPHICAL INFORMATION

Keith Downey

Keith Downey is a native of Houston Texas. He attended Prairie View A&M University Majoring in Architecture, the University of Texas at Arlington and Cornell University studying Servant Leadership. He moved to New York City after receiving his formal education and worked as an Architectural Designer and Senior Construction project manager in New York City. He returned to Houston where he has aided in the development of wraparound services for students in need within school districts around the Houston Area. He is President of Kashmere Gardens Super Neighborhood Council #52, helping the Kashmere Gardens community residents address flooding and flood mitigation, food inequality, education, transportation, health and wellness.
