The Texas Medical Center Digestive Diseases Center (DDC) is pleased to announce the availability of funds to provide seed money for pilot/feasibility (P/F) projects in the area of GI-related research. Awards are up to \$45,000 for a period of one year. These funds will be awarded on a competitive basis and should specifically support projects related to GI infection and injury.

A Notice of Intent must be submitted online by 5:00 pm CST on August 20, 2021.
The full online application is due by 5:00 PM CST on September 24, 2021.
