Texas 87th Legislature: Laws Impacting Physician Responsibility and End-of-Life Ethics Considerations

Objectives: At the conclusion of the session, the participants should be able to:

- Demonstrate an awareness of new healthcare laws passed in the Texas 87th Legislature.
- Define the ethical considerations in proposed revisions to the Texas Advance Directives Act.
- Explain the impact of new laws on physician responsibility and patient care.

Target Audience and Needs: Staff physicians and other allied health professionals at the Baylor St. Luke's Medical Center need to be regularly updated on the guidelines and challenges related to ethics consultation, clinical ethics practice, and the role of ethics in shared clinical decision-making. The series aims to increase knowledge of the learners in these topic areas, and to provide the skills and tools for their implementation in clinical practice in order to enhance the quality of patient care.

Educational Methods: Educational methods will include lectures and panel discussion.

Activity Evaluation: Participants may be asked to complete a session evaluation.

Accreditation/Credit Designation: Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity has been designated by Baylor College of Medicine for 1 credit of education in medical ethics and/or professional responsibility.
