

TEXAS MEDICAL CENTER DIGESTIVE DISEASES CENTER (DDC) APPLICATION FOR MEMBERSHIP

The DDC is funded by the National Institute of Digestive Diseases and Kidney and supports core areas reflecting GI research priorities. Membership in the DDC is open to all faculty with an interest in GI research at Baylor College of Medicine, The University of Texas Health Science Center, and the MD Anderson Cancer Center.

To request membership in the DDC, complete the following form and send it with the applicant's NIH biosketch to Sara Tristan, DDC Administrator, by email to escamill@bcm.edu. For more information about the DDC, you may visit us online at <https://www.bcm.edu/research/centers/digestive-disease>.
