ARE YOU THE BLACK/AFRICAN AMERICAN PARENT OR PRIMARY CAREGIVER of a child ages 0-18 years with a special health care need?

WOULD YOU LIKE TO:

- ✓ Let us know how best to plan outreach and community events for families of children with special health care needs?
- ✓ Let us know the research topics important to you and your family?

WE INVITE YOU to a group discussion with other parents to inform us on how we should plan and carry out community events and research for families of children with special health care needs. This is planned by the Community Engagement and Outreach team of the Intellectual and Developmental Disabilities Research Center at Baylor College of Medicine.
