INFORMATION #3

DATE: May 9, 2022
TO: Class of 2026
FROM: John Rapp
Senior Director, Student Affairs

This is the last **scheduled** communication you will receive from our office before the beginning of **Orientation on Friday, July 22**. **Be sure you occasionally access the web site to check for special announcements and required information (some of which will have very important deadlines).**

REMINDERS: You must complete the **Official Preliminary Registration Form** prior to Monday, June 6. **Your complete immunization record must also be received by OHP no later than May 20** (unless you are a late acceptance).

NOTE:
Please request that all transcripts indicating conferred undergraduate/graduate degrees be sent to:

Office of the Registrar
Baylor College of Medicine
One Baylor Plaza - BCM365
Houston, Texas 77030

We can only accept electronic transcripts if they are delivered through a secure service such as Parchment. Final electronic transcripts may be sent to registrar@bcm.edu. *Please note that we are unable to accept electronic transcripts through the University of Texas at Austin transcript service. You **must** have a physical transcript mailed from this institution.*

If you are currently enrolled (completing degree requirements), please wait until your transcript is finalized (degree posted) before you have it sent to Baylor.

Any transcripts submitted through the AAMC portal during the admissions process **do not fulfill this requirement**. Even if the transcript you previously submitted showed your completed degree, you will need to have an additional official final transcript submitted to the Office of the Registrar as required by your acceptance into BCM.

You do not have to send a transcript from a college/university if you did not receive a degree from the college/university.

Contact us should you have any questions. We look forward to meeting you on July 22, if not before.
