FUNDING OPPORTUNITY FOR PILOT PROJECTS

## \$35,000 - \$50,000

The Texas Medical Center Digestive Diseases Center (DDC) is pleased to announce the availability of funds to provide seed money for pilot/feasibility (P/F) projects in the area of GI-related research. Awards are up to \$50,000 for a period of one year. These funds will be awarded on a competitive basis and should specifically support projects related to the DDC theme. Visit our website for more details.
