IMMUNIZATION REQUIREMENTS FOR RESIDENTS AND FELLOWS
Requirements based on Texas Department of State Health Services, OSHA policy and Centers for Disease Control recommendations.

Tetanus/Diphtheria/ Pertussis:	Booster dose of tetanus-diphtheria-pertussis (Tdap) within last 10 years. A Td booster is not sufficient.
Measles (Rubeola):	Acceptable proof of prior immunization with 2 doses of vaccine on or after first birthday at least 30 days apart; or serologic confirmation of immunity.
Mumps:	Acceptable proof of prior immunization with 2 doses of vaccine on or after first birthday at least 30 days apart; or serologic confirmation of immunity.
Rubella:	Acceptable proof of prior immunization with 2 doses of vaccine on or after first birthday at least 30 days apart; or serologic confirmation of immunity.
Varicella:	Acceptable proof of prior immunization with 2 doses of vaccine at appropriate interval; or serologic proof of immunity. Self-report or physician report of disease is not sufficient.
Hepatitis B:	Series of three immunizations: first dose, second dose 1 month after the first dose and third dose 5 months after second dose; or serologic confirmation of immunity.
Tuberculosis:	Only Mantoux results (in mm) for skin testing or IGRA blood test are accepted. Tine or Monovac are not accepted. Test should be placed and read by Occupational/Employee Health of your institution/hospital but may be completed through another clinic. The test must be done within 6 months prior to your start date. If your TB test is positive, you must provide documentation of the positive test. A chest x-ray done within 12 months prior to your start date is also required. A chest x-ray only or prior BCG is not sufficient documentation of a positive test.
Meningitis:	Immunization is not required.
OHP Forms:	There are two forms to complete and return - TB Respirator Questionnaire - Acknowledgment of Receipt of Privacy Notice (“HIPAA” form)

INCOMING RESIDENT/FELLOW IMMUNIZATION RECORD

Name ______________________________ Date of Birth________________ Phone________________

Residency/Fellowship Program______________________________ Email ______________________

Complete form and ATTACH SUPPORTING DOCUMENTATION

	DATE
A. **Tetanus-Diphtheria-Pertussis (Tdap)-** Td is not acceptable 1. ______Tdap booster within the last 10 years. (attach record)	________________ ________________
B. **M.M.R. (Measles, Mumps, Rubella)** (please document each dose) 1. _______Dose 1: Immunized at 12 months or after. (attach record). 2. _______Dose 2: Immunized at least 1 month after dose 1 (attach record).	________________ ________________
C. **Measles (Rubeola)** - If given instead of M.M.R. check appropriate item 1. _______Serologic proof of immunity. (attach record). Or, 2. _______Two doses of vaccine, on or after first birthday. (attach records)	________________ ________________
D. **Mumps** - If given instead of M.M.R. check appropriate item 1. _______Serologic proof of immunity. (attach record). Or, 2. _______Two doses of vaccine, on or after first birthday. (attach records)	________________ ________________
E. **Rubella** - If given instead of M.M.R. check appropriate item 1. ______Serologic proof of immunity. (attach record). Or, 2. ______Two doses of vaccine, on or after first birthday. (attach records)	________________ ________________
F. **Varicella (Chickenpox)-** History of disease is not acceptable 1. ______Serologic proof of immunity. (attach record). Or, 2. ______Two doses of vaccine (attach record).	________________ ________________
G. **Hepatitis B** –provide documentation for all administered shots 1. ______Serologic proof of immunity. (attach record). Or, 2. ______Immunization (at least 3 doses and attach records)	________________ ________________ ________________ ________________
H. **Tuberculosis** 1. ______PPD (Mantoux) test or IGRA blood test done within 6 months prior to your start date. Refer to our Immunization Requirements (***Tine or Monovac not acceptable***) (attach record) 2. ______Had BCG vaccine. If yes, PPD still has to be done. 3. ______If prior positive PPD, (greater than 10 mm induration) or IGRA blood test positive, chest x-ray done within a year prior to your start date is required. (attach record and x-ray report)	________________ ________________ ________________
I. **OHP Forms** 1. ______ TB Respirator Questionnaire. 2. ______ Acknowledgment of Receipt of Privacy Notice. The “HIPAA” form.	

PLEASE SUBMIT ALL RECORDS THROUGH MEDHUB

Respirator Questionnaire for TB mask

Fax 713-798-3364 scv_auto_print@bcm.edu

Section I: Employee Information (please print)

Name: ________________________________ BCM ID (if known): ________

Last First MI

Date of Birth: ______________ Age: ________ Phone Number: ________________

Section II: Respirator/Work Information (Check all that apply)

DURATION OF RESPIRATOR USE:
✓ Only during patient care activities
___Only during emergency situations
___Regularly, but less than 5 hrs./week
___Over 1 hour per day every day

LEVEL OF EXERTION DURING RESPIRATOR USE:
✓ Light (mainly sedentary work, no lifting)
___Moderate (lifting up to 20 pounds occasionally)
___Heavy (carrying over 20 pounds or climbing frequently)

Section III: Medical History / Symptom Review

Do you have or have you ever had any of the following medical conditions?

___Heart Attack or angina
___Heart arrhythmias
___Other heart disease:
____
___Stroke
___Asthma (if yes, indicate if condition is active and how frequently you use medication)
____

___Tuberculosis
___Emphysema/Chronic bronchitis (with symptoms
___Pneumothorax (lung collapse)
___Any surgery or serious injury to the chest
___Pneumonia (if yes, when ___________)
___Other lung disease ____________________
____
___Anemia
___Skin allergies or rashes (if yes, substance ________)

Do you have or have you had any of the following problems? Please check any symptoms which you think are out of the ordinary.

___Shortness of breath
___Persistent cough (outside of colds)
___Wheezing (outside of colds)

___Persistent chest pains
___Palpitations or skipped heart beats
___Loss of consciousness

Are you taking any medications? _____Yes _____No
If yes, please list ____

Have you smoked within the last 30 days? ______Yes ____No
Have you ever worn a respirator before ______Yes ____No
If yes and you had problems with respirator use, please explain:
____

I understand that the above information is used to determine my ability to wear a respirator for protection from tuberculosis. The information I have furnished is true to the best of my knowledge. If I experience a significant change in my health status, I will notify Baylor Occupational Health..
