

# 5<sup>th</sup> ANNUAL ACUTE HEMATOLOGIC MALIGNANCIES SYMPOSIUM

Presented by

**Baylor St. Luke's  
Medical Center**

Provided by

DAN L DUNCAN  
COMPREHENSIVE  
CANCER CENTER

Baylor  
Medicine

SATURDAY

MARCH

**Baylor St. Luke's Medical Center -  
McNair Campus**

7200 Cambridge Street  
Houston, TX, 77030

*1st floor lobby area, Conference rooms A & B*

**PRESENTATIONS: 8:00 AM-5:00 PM CST**

**CHAIR**  
Gustavo Rivero, MD

**SECTION MODERATOR**  
Katherine King, MD, PhD

**SECTION MODERATOR**  
Purnima Sravanti Teegavarapu, MD

**SECTION MODERATOR**  
Nidia Zapata, MD

**SECTION MODERATOR**  
Romina Sosa, MD, PhD

## KEYNOTE SPEAKERS

**Tamir Chandra, MD**

The University of Edinburgh, South Bridge  
Edinburgh, United Kingdom

**Philip Awadalla, MD**

Ontario Institute for Cancer Research  
Ontario, Canada

**Andrew Wei, MD**

The Alfred Hospital and Monash University  
Melbourne, Australia

**Stuart Pitson, MD**

Centre for Cancer Biology,  
University of South Australia and SA Pathology  
Adelaide, Australia

**Jonathan Webster, MD**

Sidney Kimmel Comprehensive Cancer Center at Johns  
Hopkin  
Baltimore, MD

**Courtney Jones, MD, PhD**

University of Toronto  
Ontario, Canada

**Ayalew Tefferi, MD**

Mayo Clinic Comprehensive Cancer Center  
Rochester, MN

**Sahand Hormoz, MD, PhD**

Dana-Farber Cancer Institute  
Boston, MA

**Sidd Jaiswal, MD, PhD, BS**

Stanford Medicine Children's Health  
California, USA

**Simona Colla, MD, PhD**

The University of Texas  
MD Anderson Cancer Center  
Houston, TX

**Manja Wobus, MD**

University Hospital Carl Gustav  
Carus Technische Universität Dresden

**Naseema Gangat, MD, MBBS**

Mayo Clinic Comprehensive Cancer Center  
Rochester, MN

**Hetty Carraway, MD**

Cleveland Clinic  
Cleveland, OH

**Ann-Kathrin Eisfeld, MD**

The Ohio State University Comprehensive Cancer Center  
– James Cancer Hospital and Solove Research Institute  
(OSUCCC – James)  
Columbus, OH

## NEEDS

This symposium will bring together recognized national and international speakers to address recent advances in diagnosis of myelodysplastic syndrome (MDS) and measurable residual disease [MRD] directed acute myelogenous leukemia (AML) therapy. During our symposium, we will emphasize the need for physicians to combine up-to-date knowledge and technology to efficiently identify “actionable targets” for treatment of AML and MDS patients. Additionally, we expect to gain insight into promising scientific data that would inform therapy efficacy based on AML MRD evaluation. The symposium will provide important novel development in MDS and AML pathogenesis leading to unique opportunity for clinical trial design ideas.

## TARGET AUDIENCE

Hematologists, primary care physicians, nurses, nurse practitioners, physician assistants, medical trainees and students.

## LEARNING OBJECTIVE

At the conclusion of the conference, participants should be able to:

- Summarize current principles that explain clonal hematopoiesis and acute myelogenous leukemia (AML).
- Describe the current role of targeted clonal hematopoiesis and AML genome.
- Integrate complex clonal hematopoiesis and AML into genomic and therapeutic algorithms.
- Discuss the role of targeted agents in the treatment of clonal hematopoiesis and AML in genomic and therapeutic algorithms.

## EDUCATIONAL METHODS

Lecture, Small Group Breakout Session, and Panel Discussion

## ACTIVITY EVALUATION

Evaluation by questionnaire will address program content, presentation, and possible bias

## ACCREDITATION/CREDIT DESIGNATION

### ***AMA PRA Category 1 Credits™***

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 4.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### ***ABIM MOC Part II***

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 4.50 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participant will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### ***Nursing Credit***

Cizik School of Nursing at UTHealth is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation. This activity provides 4.50 contact hours of nursing continuing education (CNE).

## DISCLOSURE

In order to meet the requirements of the Accreditation Council for Continuing Medical Education (ACCME) it is the policy of Baylor College of Medicine that all individuals who are in a position to control the content of a CME course (course director, planning committee members, and faculty) disclose relevant financial relationships with commercial interests. All identified conflicts of interest are managed to help ensure that the educational material is scientifically based, accurate, and objectively presented. Specific disclosure will be made to the participants prior to the educational course.

Audio or videotaping is prohibited without written permission from the Activity Director and the Division of Continuing Professional Development, Baylor College of Medicine, Houston, Texas.

## CLAIMING CREDIT

Physician CME Credit, Nursing, and Other Healthcare Professional Attendance

After the conference, an email will follow from the Baylor College of Medicine Division of Continuing Professional Development with instructions for completing the evaluation and obtaining your CME, Certificate of Attendance, or CE Certificate (if applicable).

## FEE, REGISTRATION AND CONFIRMATION INFORMATION

Refer to the online registration form at <https://cpd.education.bcm.edu/content/5th-annual-hematologic-malignancies-symposium> for the fee schedule. Your registration will not be processed until payment is received. Your registration will be confirmed. If you have not received confirmation at least 5 business days before the activity start date, contact the Baylor College of Medicine (BCM) Division of Continuing Professional Development (DCPD) immediately at [cpd@bcm.edu](mailto:cpd@bcm.edu).

The DCPD reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

## CANCELLATION/REFUND POLICY

Requests for registration refunds must be in writing and received by the DCPD at least 10 business days before the activity begins. The date the request is received by the DCPD will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a \$50 administrative fee to be deducted from the paid registration fee to cover guarantees and other expenses. Requests should be emailed to [cpd@bcm.edu](mailto:cpd@bcm.edu).

The DCPD reserves the right to cancel activities, not less than 10 business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form and again in writing. If an activity is canceled, the DCPD's liability is limited to the paid registration fee. Note: If the registration payment was made by check, a Social Security number is required to process the refund.

For more information, please contact Christina Rodriguez at [crg@bcm.edu](mailto:crg@bcm.edu).
