

# WHAT ARE THEY FEELING?

It can be hard to understand how someone else is feeling, but their faces can usually give us a clue.

Happiness

Surprise

Sadness

Anger

Fear

Disgust

Khan, A.R., Arthur, C., Meyer, A., Bouakaz, S. (2019). A novel database of children's spontaneous facial expressions (LIRIS-CSE). *Image and Vision Computing*, 83-84, 69
