Education Affairs Handbook
2023-2024

Mission: Baylor College of Medicine is a health sciences university that creates knowledge and applies science and discoveries to further education, healthcare and community service locally and globally.

Vision: Improving health through science, scholarship and innovation

Values: Respect, Integrity, Innovation, Teamwork, Excellence

Baylor College of Medicine is committed to a safe and supportive learning and working environment for its learners, faculty and staff. College policy prohibits discrimination on the basis of race, color, age, religion, gender, gender identity or expression, sexual orientation, national origin, veteran status, disability or genetic information. Harassment based on any of these classifications is a form of discrimination and also violates College policy (02.2.25, 02.2.26) and will not be tolerated. In some circumstances, such discriminatory harassment also may violate federal, state or local law.

Baylor College of Medicine fosters diversity among its students, trainees, faculty and staff as a prerequisite to accomplishing our institutional mission and setting standards for excellence in training healthcare providers and biomedical scientists, promoting scientific innovation, and providing patient-centered care.

Diversity, respect, and inclusiveness create an environment at Baylor that is conducive to academic excellence, and strengthens our institution by increasing talent, encouraging creativity, and ensuring a broader perspective. Diversity helps position Baylor to reduce disparities in health and healthcare access and to better address the needs of the community we serve. Baylor is committed to recruiting and retaining outstanding students, trainees, faculty and staff from diverse backgrounds by providing a welcoming, supportive learning environment for all members of the Baylor community.
Baylor College of Medicine Education Affairs Handbook

Baylor College of Medicine (BCM) provides student support programs, services, and activities that promote learning and holistic development of students pursuing degrees in healthcare and biomedical sciences. These services are in alignment with the College’s mission to create knowledge and apply science and discoveries to further education, healthcare, and community service locally and globally.

The portfolio of student support services is grouped in four domains: Academic Excellence, fostering student achievement; Health and Wellness, supporting students’ intellectual, emotional, physical, and personal development; Student Engagement, facilitating inter-professional collaboration on local and global research as well as clinical and service projects; and Administrative Support, providing ready access to resources essential for navigating the learning and campus environment. Mission-aligned services and activities are designed and tailored to support students through their rigorous academic programs to ensure that they graduate as well-rounded professionals ready to contribute to the scientific and healthcare fields. Students should review all BCM Academic Policies.

VI. Contact Information
I. Academic Excellence

A. Student and Trainee Disability Services
BCM is committed to providing equitable educational access for qualified learners with temporary or permanent disabilities in accordance with state and federal laws including the Americans with Disabilities Act of 1990, as amended in 2008, and Section 504 of the Rehabilitation Act of 1973. The full policy, including criteria for requesting reasonable accommodations and procedures for appeal, is available here. Learn about Student and Trainee Disability Services and how they can help you on the Student and Trainee Disability Services Website.

B. Academic Success Center
The Academic Success Center (ASC) provides individual and group support for the academic growth and progression of all BCM students through 1:1 academic coaching, workshops, tutoring services, and collaborative events. In addition, students have access to computers, printers, TMC librarians, and more in the ASC study spaces on campus. Find more information on the Academic Success Center Website.

- TMC Library Baylor students and faculty have access to the Texas Medical Center Library. In addition to on campus access, students have remote access through computers outside of BCM and hospital affiliates. Personal help from TMC librarians is available in person or remotely by calling the help desk at the TMC Library. Find more information the TMC Library Website. Find related BCM Policies and Procedures here.

C. Career Development Center
The Career Development Center provides training, resources, and connections for students and trainees to achieve their professional goals and develop meaningful careers. Support for student growth and progression is provided through 1:1 career advising, workshops, and collaborative events. Find more information here.

D. Education Technology (Ed-Tech)
Ed-Tech manages and provides support for all education applications (i.e., Blackboard, ExamSoft, Poll Everywhere, Osmosis, Davinci, Aquifer, Up-to-Date). Minimum computer requirements are set by Ed-Tech for the institution, and updated as software and requirements change.

For issues or requests, students may submit a education technology request
form, or contact Ed-Tech at ed-tech@bcm.edu, for assistance. More information about education technology tools, including minimum computer requirements, are available to students on the Student Ed-Tech Resources Website.

II. Student and Trainee Health and Wellness

BCM is dedicated to nurturing seven dimensions of student wellness (Emotional/Mental Health, Physical, Financial, Social, Intellectual, Environmental, and Spiritual) through a variety of services we offer. Find more information on how our services support these seven dimensions here.

Health and Wellness Resources:

A. Student and House Staff Mental Health Service

The Student and House Staff Mental Health Service provides confidential, free psychotherapy and medication management for eligible students and trainees. Students and spouses interested in obtaining scheduling an intake may call 713.798.4881.

B. BCM Telehealth Resources

Students have access to telehealth resources with services including: In the Moment Counseling, Teletherapy, TelePsychiatry, Nutrition, Urgent Care, and Financial Wellness.

C. WellConnect

Students have access to WellConnect, a service that provides a 24/7 hotline for mental health counseling: https://wellconnect.personaladvantage.com. WellConnect provides support in a variety of other areas, such as legal consultation and financial management resources, as well.

D. Employee Assistance Program

Employees have access to the Employee Assistance Program (EAP), a service to help you resolve problems that can affect your personal and professional life. EAP offers 3 free counseling sessions to BCM employees and household family members. For information or to schedule an EAP appointment, call (713) 500-3008. (Residents, clinical fellows, and post-doctoral fellows only.)

E. HR Well-Being Programs

Serves as the overarching health and well-being initiative for the College. This includes offering on-site, off-site, and virtual opportunities for students and employees to participate in events, programs, and resources. Eligible students
and employees have access to an incentive-based platform through Vitality, where they can be rewarded for making all dimensions of health, self-care, and well-being a priority.

- **BCM LIFE** provides opportunities that allow students to learn about the seven dimensions of wellness and how to nurture them. In addition, students not only engage in BCM LIFE sponsored events and activities but also support one another, with the help of BCM LIFE Ambassadors, the Wellness 5K and more.
- **BCM Well-Being Center** provides on-site access to a physical fitness facility, which is open seven days a week and contains a weight room, exercise room, basketball court, men’s and women’s locker rooms, and many other features. In addition, fitness classes with certified instructors and sports leagues are available in the center. The Well-Being Center is located on the eighth floor of TMC Garage 6. (Monthly fee not included in student tuition and fees; students may cancel membership at any time.

F. Wellness Coordination and Intervention
Wellness Coordination and Intervention serves as a wellness hub through which existing wellness initiatives and programs are supported and new projects are developed.

- Wellness Coordination and Intervention BCM’s Wellness Intervention Team (WIT) is an interdisciplinary administrative group that effectuates a coordinated institutional response to a health or wellness crisis where there may be a significant risk of harm to the learner or others. Learner WIT services are activated learner by the Dean or Designee. WIT services cannot be activated by learners or faculty. For further details about the WIT purpose and process, contact your School Dean, the WIT team at or wellnessintervenuinteam@bcm.edu, or refer to the Leave of Absence Policy.

G. Student Health Insurance
Blue Cross and Blue Shield of Texas is BCM’s insurance vendor for academic year 2023-24; BCM will continue to partner with Academic Health Plans (AHP) to provide enhanced customer service to students each year. Additional information regarding the student health insurance program, including enrollment requirements, eligible dependents, costs of coverage, benefits, and coverage during leave of absence is available on the website.
H. Substance and Alcohol Abuse
The Federal Drug-Free Workplace Act is the foundation for BCM’s Substance and Alcohol Abuse Policy (02.5.34).

III. Student and Trainee Engagement
A. Student Activities
Find information about ways to get involved in BCM events and student groups here.

B. Community Outreach
Find information about outreach and volunteer opportunities here.

C. Office of Institutional Diversity, Equity, and Inclusion
The Office of Institutional Diversity, Equity, and Inclusion (OIDEI) cultivates an environment of inclusion and diversity among the Baylor community to equip a “healthcare and scientific workforce prepared to care for diverse populations locally and globally.” The office organizes programs to help carry out BCM’s commitment to diversity, inclusion, and equity. We welcome opportunities to collaborate with other departments, academic centers, schools, student and trainee organizations, other higher education institutions and community organizations to co-sponsor diversity, inclusion, and equity events relevant for students, trainees, staff, and faculty members at BCM. Find more information about our programming here.

D. Social Media Directory
Connect with BCM on social media! Find related BCM Policies and Procedures here.

IV. Administrative Support
A. Office of Student Financial Aid
The Office of Student Financial Aid offers assistance and counsel for all BCM students in obtaining financial assistance for their education and educates aid recipients on the importance of understanding their financial aid obligations. The Office of Student Financial Aid is responsible for the delivery of student aid programs, which includes authorizing the use of aid for educational expenses and adjusting aid as required by law. Offers of financial aid are made based upon information collected through the financial aid application process, and the cost to attend BCM including the estimated cost of living allowance. Adjustments to financial aid may occur based upon enrollment changes, changes to previously...
reported financial resources, and changes to any other information collected including admissions information. More information about financial assistance resources, including federal and institutional loans, scholarship opportunities, and one-to-one student loan debt counseling, can be found on the Student Financial Aid website.

B. Student Account Services
Student Account Services (SAS), a part of the Finance Department, is responsible for announcing Tuition, Fees & Student Insurance rates each year, billing students for these charges, and collecting amounts due to the College. Student Account Services posts all received payments to students’ accounts including scholarships and loans that have been awarded/approved by the Office of Financial Aid. Students whose tuition, fees, and/or insurance will be paid under an agreement with a Third-Party Payer (including, but not limited to some 529 Plan administrators, branches of the U.S. military, and AmeriCorps) should notify Student Account Services who will invoice the Third-Party Payer each semester for the student’s charges. Student Account Services issues refunds to students whenever there is a credit balance on the student’s account of $1 or more, including refunds of Financial Aid funds. Student Account Services prorates tuition, fees, and insurance in accordance with the BCM Refund Policy for students who cease or resume enrollment in the middle of a semester. SAS coordinates with BCM’s loan servicer, Heartland ECSI (Educational Computer Services, Inc.) to service all BCM institutional loans, and Primary Care Loans while in repayment. Students who have borrowed any of these loans while attending BCM will be contacted by Student Account Services prior to departing the College to complete exit counseling for these loans. More information about SAS, including FAQs, can be found on the Tuition and Fees page.

C. The Office of the Registrar
The Office of the Registrar, as a unit of the Education Affairs, works closely with all schools and programs to offer records and registration support to students and alumni of BCM. Additionally, the Office of the Registrar works in collaboration with the offices of admissions, student affairs, student financial aid, and alumni relations to assist students with changing of personal information, certifications, verifications and deferments, courseregistration, grade release, maintenance of permanent academic records, transcript requests, and changing tuition residency status. Find more information on the Office of the Registrar Website.
i. Veteran Affairs Educational Benefits
   Veteran Affairs Educational Benefits is a service within the Office of the Registrar, a subset of the Office of Education Affairs. BCM has Veterans Education School Certifying Officials (SCO) on site to assist veterans and their eligible dependents in obtaining VA educational benefits through official VA processes. It acts as a liaison to both the State Approving Agency and regional VA office for program approval for benefits and student payment of benefits via enrollment certifications. It is the responsibility of the student to reach out to the SCO to initiate the VA Educational Benefits process when they matriculate to BCM.

ii. Texas Education Code Updates.
   House Bill 449 requires public and private institutions to include a “notation” on a student’s transcript when “the student is ineligible to reenroll in the institution for a reason other than an academic or financial reason.” If a student withdraws from the school “pending disciplinary charges that may result in the student becoming ineligible to re-enroll for a reason other than an academic or financial reason,” the school must continue the disciplinary process until it “makes a final determination of responsibility.” Please direct questions to registrar@bcm.edu.

D. International Student Office
   The International Services Office (ISO) facilitates programs that allow the legal admission of international students, scholars, trainees, visitors, and faculty to the United States to participate in programs of research, education, and clinical services. Find more information on the International Services Office Website.

E. Campus Security and Public Safety
   BCM is in the Texas Medical Center (TMC), the largest medical center in the world. TMC provides safety and security for all parking facilities, its own buildings, and streets and public areas that are not part of specific member institutions, like BCM.

i. Prevention Guidelines and Safety Tips Find information regarding bike security, personal protection, protection from predators, community resources, and more.

ii. Emergency Contacts Find contacts for reporting crime, life threatening emergencies, TMC emergency numbers, and more.

iii. Security Department Find information about BCM’s security department

V. Learning Environment

BCM is committed to the values of integrity, respect, teamwork, innovation, and excellence, and requires all BCM learners to practice these values consistently during the completion of requirements for education progression and performance of scholarly and professional duties. Creating and sustaining an environment reflective of BCM values is the responsibility of every individual at BCM.

i. **Baylor Code of Conduct**

ii. **Statement of Student Rights**

iii. **Diversity** BCM promotes principles of diversity, inclusion, and equity across Baylor College of Medicine research, education, and training programs as well as with respect to recruitment (in employment and education) of individuals from diverse backgrounds. See 02.2.40 - Diversity Policy for details.

iv. **Ombuds Office** The Ombuds Office provides a safe space for you to discuss
any concerns regarding your experience at BCM. These discussions are strictly confidential and are meant to help you gain clarity of your options to address concerns and to gain support. See 32.1.01 - Office of the Ombudsman: Structure, Function, and Resources for details.

v. Title IX and Gender Discrimination BCM does not discriminate based on sex and will not tolerate discrimination which includes sexual harassment, sexual violence, dating violence, domestic violence and stalking. Reports will be promptly investigated, and appropriate actions will be taken to remedy the effects of harassment or violence and prevent the reoccurrence. See 02.2.26 - Sexual Misconduct and Other Prohibited Conduct Policy for details.

vi. Student Appeals and Grievances In the event you have a concern, we have created several pathways for you to receive help. The Student Appeals and Grievances website provides additional information relevant to this policy. See 31.2.02 - Integrity Hotline Policy: Reporting Improper Activity or Wrongdoing for detailed information regarding reporting. See the full Student Appeals and Grievances Policy for more information. (Residents and Fellows should refer to the 27.4.12 - GME Mistreatment and Grievances Policy for guidance.)
