RESPONSIBLE PAIN MEDICINE 
DURING A DRUG OVERDOSE EPIDEMIC

LEARNING OBJECTIVES
At the conclusion of the session, participants should be able to:
• Identify gaps in care concerning opioid tapering
• Distinguish between physical dependence and addiction and explain the importance of the distinction
• Articulate three components of responsible opioid prescribing

PANELIST
• Travis N. Rieder, Ph.D.
  Director, Master of Bioethics Program
  Associate Research Professor
  Johns Hopkins Berman Institute of Bioethics
