Office of the Registrar
Student Enrollment Statistics
Academic Year 2024-2025

The census reporting date for Baylor College of Medicine (BCM) is September 1, 2024. Enrollment (degree seeking students only) figures, inclusive of the Temple campus, for the year are established from the student information available on this date. The enrollment status of each student continues to be monitored throughout the year and the figures will vary accordingly. However, for reporting purposes the statistical numbers established on the census date will continue to be the published information regarding enrollment in BCM for the Academic Year 2024-2025.

*Starting in 2010, the U.S. Department of Education implemented a new methodology for reporting race/ethnicity. Under this system, individuals are first asked to designate their ethnicity as either "Hispanic/Latino" or "Not Hispanic or Latino". Afterward, they are asked to select one or more races from the following categories: American Indian or Alaska Native, Asian, Black or African American, Native Hawaiian or Other Pacific Islander, White, or Other. Individuals who select more than one racial category are classified as multi-races.
