

## SERVICES & RESOURCES

### GRADUATE SCHOOL OF BIOMEDICAL SCIENCES

**Webinars** on time management, study strategies, test taking skills, reading comprehension, writing skills, and more are available on Blackboard:

Blackboard → Organizations → Academic Success Center

A 6-part live, **virtual writing workshop series** is offered each academic year.

30-min and 1-hr virtual or face-to-face **academic advising appointments** can be scheduled at [www.bcm.edu/asc](http://www.bcm.edu/asc):

- Writing consultations (project management, revising & editing)
- Goal setting and accountability
- Time management
- Study strategies
- *...and more!*

Within the **Academic Success Center study spaces** (2nd & 4th floor of DeBakey), students and trainees have access to free printing services, computers, study materials, on-call IT technicians, and TMC librarians.
