

Inspiring change,
impacting lives

A Celebration of Pediatricians as Children's Champions

This forum will explore the role of pediatricians in the community, covering topics such as patient education, community involvement, media strategies and collaborative efforts.

Attendees will gain insights from fellow pediatricians, engage in workshops structured on various experience levels and learn about aligning with relevant nonprofits. This event promises to be an empowering and educational experience, aiming to equip participants with tools to become effective advocates for children's welfare.

Friday, April 26th
8:30 a.m. – 3:00 p.m.

at Texas Children's Hospital, Texas Medical Center campus
or join us virtually
