

“ **Repurposing Neoadjuvant Therapy for Pancreatic Cancer**

”

JOIN VIA ZOOM

E. Ramsay Camp, M.D., FACS

Professor and Chief, Division of Surgical Oncology
Olga Keith Wiess Chair of Surgery
Baylor College of Medicine

About this seminar: This talk will cover the scientific rationale and plan for our upcoming chemo-immunotherapy neoadjuvant trial for pancreatic cancer. It will highlight the evidence that chemotherapy can change the tumor microenvironment to potentiate immune checkpoint therapy and the role for improving care for pancreatic cancer.
