

Effective Jan 1, 2025, Education Technology will transition Poll Everywhere authentication to Single Sign-On (SSO).

What is changing on Jan 1, 2025?

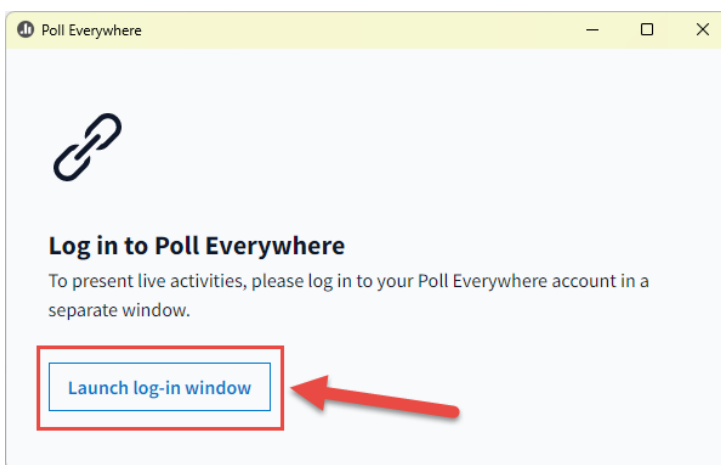

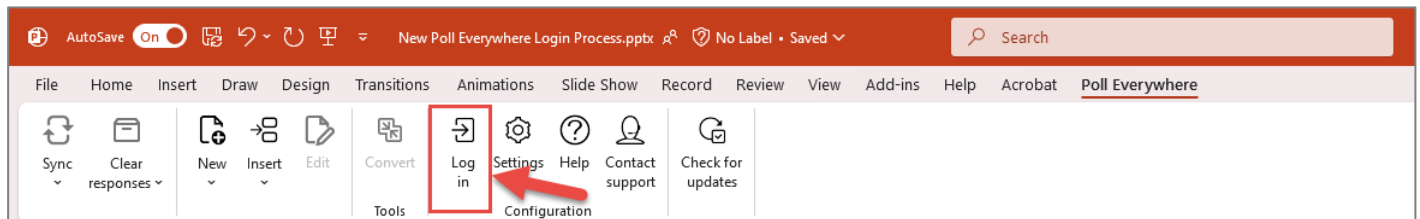

- Do not use your current username and password to sign into Poll Everywhere.
- You will use your BCM username and password to sign in at the Federated BCM login screen.

Important Information

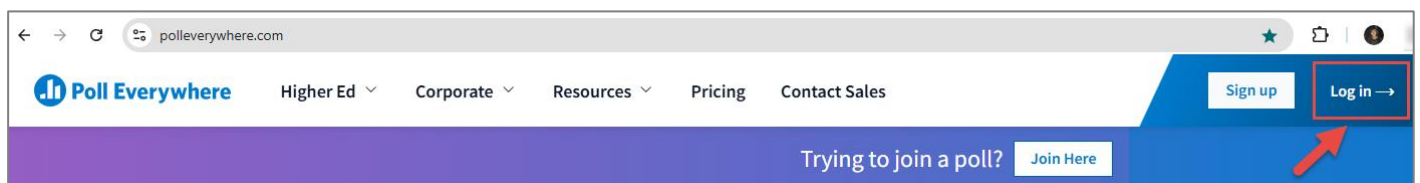

- Do not change your email address associated with your Poll Everywhere account. This may cause future login issues.
- MFA and VPN are not required for Poll Everywhere.
- For additional information on this change, visit [Ed-Tech News Article: SSO is coming to Poll Everywhere](#)

New Process

1. From PowerPoint, click **Log in** then **Launch log-in window**.

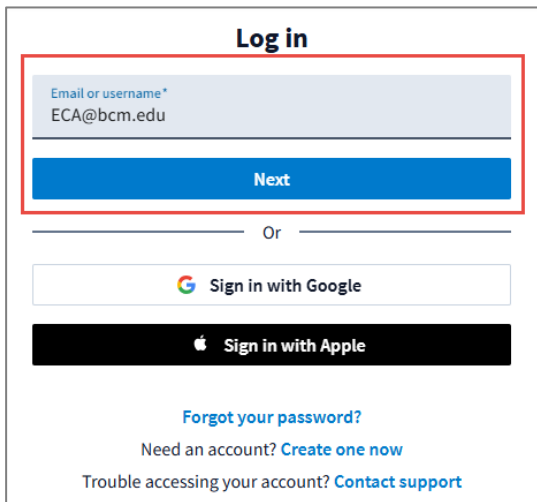

From Poll Everywhere website, click **Log in**.

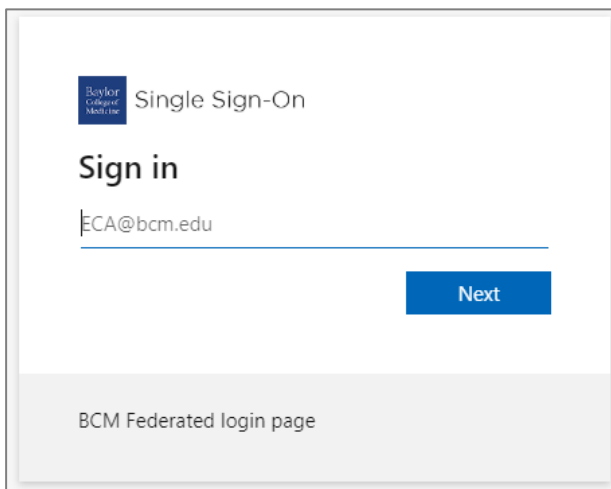

New Process, cont.

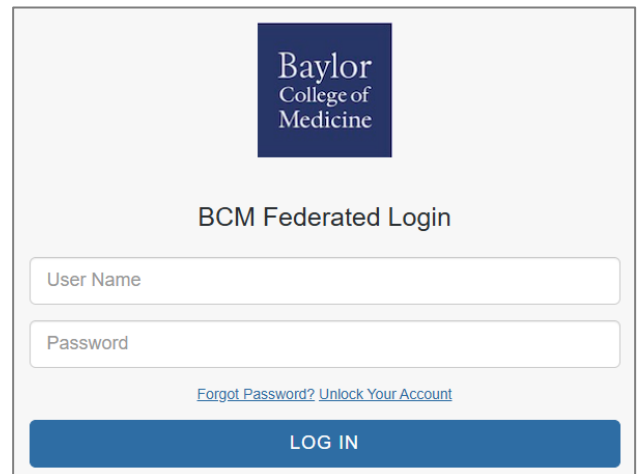

2. Enter your email address in the format of ECA@bcm.edu then click **Next**.

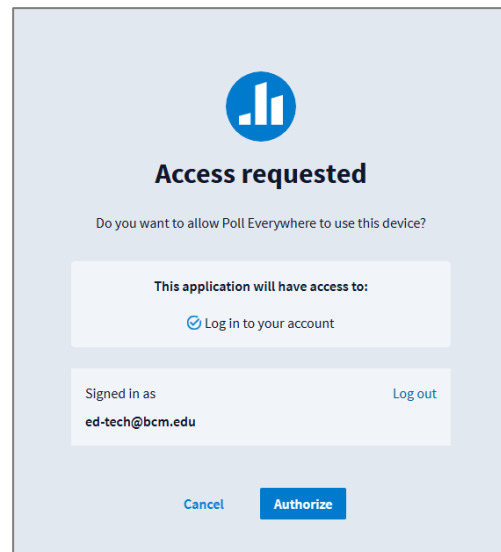

3. From the *Single Sign-On* screen, enter your BCM email address then click **Next**.

4. From the *BCM Federated Login* screen, enter your BCM **User Name** and **Password**. Then click **LOG IN**.

5. The following successful message displays:
