INTERNSHIP PROGRAM TABLES

Date Program Tables were updated: August 31, 2022

<p>Program Disclosures</p> <p>The Baylor College of Medicine Psychology Internship Program <i>does not</i> require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution’s affiliation or purpose. Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values.</p>			
<p>The internship program provides broad-based training within a scientist-practitioner model. Through a competency-based approach to training, the program prepares students for subsequent licensure as psychologists. For the 2023-2024 training year, the program is offering 7 training tracks: 1) The Menninger Clinic - Adult Division Track (1 position), 2) TIRR Memorial Hermann - Rehabilitation Psychology/Neuropsychology Track (1 position), 3) OCD and Related Disorders Track (4 positions), 4) Mood Disorders Track (1 position), 5) Child and Adolescent Track (1 position), 6) Law Enforcement and First Responders Family and Child Track (1 position), and 7) The Menninger Clinic - Adolescent & Young Adult Division Track (1 position).</p> <p>Applicants must have a minimum of 3 years of graduate course work in a doctoral level, APA-accredited or CPA-accredited clinical psychology or counseling psychology training program. Applicants must also have completed their program's comprehensive or qualifying exams at the time of application.</p>
