Commercialization Symposium

When: Tuesday, February 18th, 2025

Location: Baylor College of Medicine
Cullen Auditorium/Rayzor Lounge

Cheer on an investor pitch competition, gain insights from founders, discover local ventures, explore emerging technologies, seize opportunities for student presentations.

Keynote Speaker:

Nancy Chang, Ph.D.

President, The Tang Family Foundation

Adjunct Professor, Baylor College of Medicine

Baylor College of Medicine Ventures is the commercialization engine for all technologies and intellectual property emerging from the college. We foster a culture of commercialization by engaging university innovators, entrepreneurs and industry to fully develop ideas and identify market opportunities or collaborative ventures for the benefit of society.
