Select the Right Audio and Video Device

When you use Collaborate for the first time a wizard will guide you through the setup.

It is important to pay attention to the device you choose to use with Collaborate if you have a choice.

Sinile! Dort worty - no one else can see you yet Can you see yoursel?					
No. I need help		Smile! Don't worry - no o Can you se	one else can see yo ee yourself?		
No – I need help Yes – It's working		No – I need help	Yes – It's v	working	

The recommendation is to use a headset with microphone.
