THE GRADUATE SCHOOL OF  
BIOMEDICAL SCIENCES  
  
BAYLOR COLLEGE OF  
MEDICINE

Non-matriculated individuals who are employees of Baylor College of Medicine (e.g. staff, postdoctoral fellows, faculty) and who hold at least an undergraduate degree from a four-year, accredited university may register for courses as noted in the Graduate School course schedule. Special students may not take courses at other universities through the reciprocal agreement. Consent from the employer (as indicated by signing below) and course instructor is required when a BCM employee takes a course as a special student. BCM graduate students will be given priority for courses with limited enrollment.

A maximum of 15 term hours of credit as a special student, inclusive of graded and audit hours is allowed. Petitions for exceptions should be directed to the Dean of the Graduate School. The performance of a special student is subject to review by the Graduate School Promotions Committee. All grades count toward the 15 hour limit, including grades of C and F.
