The screenshot displays the SOAR (Scholarly Open Access Repository) interface. At the top, a dark blue header bar contains the 'SOAR' logo in white, and on the right, it indicates the user is 'Logged in as stew | Sign Out'. On the left side, the 'Baylor College of Medicine' logo is visible. Below the header, there is a navigation area with a 'Find Projects' button and a 'My Account' dropdown menu. The dropdown menu is open, showing two options: 'Manage Alerts' and 'Manage Bookmarks'. A red arrow points from the text 'Select Manage Alerts' to the 'Manage Alerts' option in the dropdown menu.
