**RE: White Coat Ordering**

An indispensable first step in becoming a physician is the ritual donning of the white coat. Your first white coat is being provided through the generosity of Baylor College of Medicine alumni donations.

To ensure that your white coat is delivered to the Office of Student Affairs for the White Coat Ceremony on August 12th, click [here](#) to place your order.

***The deadline for ordering your white coat is Monday, June 20.***

**A coat ordered after the June 20 deadline will be at your own expense.**

**Note:** Remember that your coat will be worn over various garment thickness. In addition, as pockets fill, they will become more snug. So, err on the side of a larger size.
